

DEPARTMENT OF CHEMISTRY  
INDIAN INSTITUTE OF TECHNOLOGY MADRAS

## Sample Submission

- The users should fill up the form (given below) and submit it with the sample
- Each sample has to be listed separately.
- Please specify the molecular structure, if known; molecular formula and solvent used.
- External samples will be analyzed in que at a fixed rate

## Payments

- External users, please call and confirm the status of the instrument and then
- Draw a DD in favour of "**The Registrar, IIT Madras**" for the appropriate amount or you can swipe the card for the appropriate amount using swipe machine available in the department office with the sample.

---

The **Single crystal XRD instrument** is currently located in **ACB-109** and you are welcome to visit the room after prior appointment

## Fees

### Students from other departments of IIT Madras

- |   |                    |
|---|--------------------|
| 1. <b>Unit cell determination</b>                                       | Rs.450 per sample  |
| 2. <b>Data collection with structure solution</b>                       | Rs.3000 per sample |
| 3. <b>Data collection using Liquid Nitrogen with structure solution</b> | Rs.3600 per sample |

### Academic and Govt. Institutions

- |   |                    |
|---|--------------------|
| 1. <b>Unit cell determination</b>                                       | Rs.750 per sample  |
| 2. <b>Data collection with structure solution</b>                       | Rs.5000 per sample |
| 3. <b>Data collection using Liquid Nitrogen with structure solution</b> | Rs.6000 per sample |

### Industries and non Govt. Institutions

- |   |                     |
|---|---------------------|
| 1. <b>Unit cell determination</b>                                       | Rs.2500 per sample  |
| 2. <b>Data collection with structure solution</b>                       | Rs.20000 per sample |
| 3. <b>Data collection using Liquid Nitrogen with structure solution</b> | Rs.25000 per sample |
